Please note since mortgage insurance is paid monthly on the annual renewal date of the premium and PMI is paid monthly for the prior month's premium, additional asterisks report in the Account History for these items, if applicable.

The "estimate" under any of the dates indicates that the payment or disbursement has not yet occurred, but is estimated to occur as shown.

Last year we anticipated that Disbursements would be made from your Escrow Account during the period equaling \$4,734.28. Under Federal Law, your lowest monthly balance should not have exceeded \$789.05, or 1/6th of total anticipated payments from the account, unless your loan contract or State law specifies a lower amount.

Under your loan contract and State law your lowest monthly balance should not have exceeded \$789.05.

Post-Petition Account History

The post-petition escrow account balance includes the amount of escrow set forth in the filed Proof of Claim. Payments made pursuant to your Bankruptcy Plan and the filed Proof of Claim will be credited to your account while the loan remains in an active bankruptcy until the pre-petition escrow amount is paid in full per the terms of the Bankruptcy Plan and the filed Proof of Claim. The following information reflects the actual post-petition funds credited to your escrow account. The "estimate" under any of the dates indicates that the payment or disbursement has not yet occurred, but is estimated to occur as shown.
